

Kent Reef Carbon

Material Safety Data Sheet

1. Product And Company Identification

Supplier

Central Aquatics (a division of Central Garden and Pet Inc.)

5401 West Oakwood Park Drive

Franklin, WI 53132 United States

Company Contact: Customer Service

Telephone Number: 1-800-255-4527

FAX Number: 1-414-421-4195

E-Mail: Customerservice@central.com

Supplier Emergency Contacts & Phone Number

PROSAR Corp.: 866-257-7451

Manufacturer

Central Aquatics (a division of Central Garden and Pet Inc.)

5401 West Oakwood Park Drive

Franklin, WI 53132 United States

Company Contact: Customer Service

Telephone Number: 1-800-255-4527

FAX Number: 1-414-421-4195

E-Mail: Customerservice@central.com

Manufacturer Emergency Contacts & Phone Number

PROSAR Corp.: 866-257-7451

Issue Date: 12/29/2006

Product Name: Kent Reef Carbon

CAS Number: Not Established

MSDS Number: 82

Product/Material Uses

Reef Carbon is an activated carbon for use in freshwater and marine aquaria.

2. Composition/Information On Ingredients

Ingredient Name - (CAS Number) - %

ACTIVATED CARBON (Not Established) 100

No Data Available...

3. Hazards Identification

Primary Routes(s) Of Entry

Dust irritation

Eye Hazards

Mild irritant, considered a nuisance dust.

Skin Hazards

None known.

Ingestion Hazards

None known.

Inhalation Hazards

Inhalation of dust may cause nose, throat, and lung irritation from abrasive nature.

Chronic/Carcinogenicity Effects

None known.

4. First Aid Measures

Eye

In case of contact, hold eyelids apart and immediately flush eyes with plenty of water for at least 15 minutes.

Skin

None known.

Ingestion

None known.

Inhalation

If inhaled as dust, remove to fresh air.

5. Fire Fighting Measures

Flash Point Method: Not combustible

Flammability Class: Nonflammable

Fire And Explosion Hazards

Airborne dust is a weak explosion hazard

Extinguishing Media

Use the appropriate extinguishing media for the surrounding fire.

Fire Fighting Instructions

Firefighters should wear self-contained breathing apparatus and full protective gear.

All carbonaceous materials will burn under certain conditions and activated carbons are no exception. Activated carbons however, are not highly flammable and burn slowly without producing smoke or flame.

6. Accidental Release Measures

Use appropriate personal protective equipment (PPE). Sweep up and remove immediately.

7. Handling And Storage

Handling And Storage Precautions

No special precautions required.

Handling Precautions

Avoid breathing dust or vapor.

Storage Precautions

Store in a dry place.

8. Exposure Controls/Personal Protection

Eye/Face Protection

Wear clean, dry rubber gloves, Clean, body covering protective clothing and approved eye protection. An eye wash station and safety shower should be readily available.

Skin Protection

None required under normal use.

Respiratory Protection

General room ventilation is normally adequate.

9. Physical And Chemical Properties

Appearance

Black granular solid

Odor

No odor

Chemical Type: Mixture

Physical State: Solid

Melting Point: >1000 °F

Solubility: insoluble

10. Stability And Reactivity

Stability: STABLE

Hazardous Polymerization: Will not occur

Conditions To Avoid (Stability)

None known.

Incompatible Materials

Strong oxidizing agents

Hazardous Decomposition Products

Carbon dioxide, Carbon monoxide

Conditions To Avoid (Polymerization)

Will not occur

11. Toxicological Information**Eye Effects**

Mild irritant, considered a nuisance dust.

Skin Effects

This product is considered non-hazardous when evaluated by criteria established in the OSHA Hazard Communication Standard (29 CFR 1910.1200).

Acute Oral Effects

This product is considered non-hazardous when evaluated by criteria established in the OSHA Hazard Communication Standard (29 CFR 1910.1200).

Acute Inhalation Effects

None known.

Chronic/Carcinogenicity

None known.

12. Ecological Information

No Data Available...

13. Disposal Considerations

No Data Available...

14. Transport Information

No Data Available...

15. Regulatory Information**SARA Hazard Classes**

Acute Health Hazard

16. Other Information**NFPA Rating**

Health: 0

Fire: 0

Reactivity: 0

HMIS Rating

Health: 0

Fire: 0
Reactivity: 0

Revision/Preparer Information

MSDS Preparer: Andrew Hudson

MSDS Preparer Phone Number: 414 304 3512

This MSDS Supersedes A Previous MSDS Dated: 02/27/2002
